BLUEBERRY BUILDERS SUBCONTRACTOR APPROVAL FORM

In order to deliver great projects on time to our clients, having great subcontractors is crucial. To have projects run more seamlessly, Blueberry Builders is looking to add you into our “Blueberry Blue Book” of approved subcontractors. This process would involve collecting your sample insurances and contact information. This will ensure that our insurances are compatible the moment a project manager pulls your information. If you are interested in doing work with Blueberry Builders, and being on our bid lists, please fill this form and provide any necessary attachments. Please send all forms to admin@blueberrybuilders.com. We look forward to working with you!
